Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Monday 11 Oct 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Dry over the next few days with overnight fog patches.

This Evening and Tonight:
A bright end to the day with plenty of sunshine. Staying dry this evening and overnight with a few mist or fog patches forming by the morning, these most likely in the countryside, where it will turn chilly. Minimum temperature 3 deg C (37 deg F).

Tuesday:
Once any mist and fog clears, it will be another dry day with a mixture of cloud and occasional bright or sunny spells. Winds remaining light and feeling quite mild. Maximum temperature 17 deg C (63 deg F).

Outlook for Wednesday to Friday:
Staying largely dry on Wednesday and Thursday with sunny spells, once overnight mist and fog patches have cleared. A chance of some rain on Friday. Feeling warm in the sunshine.
